Re: PATRIOTIC ALLIANCE CONFERENCE
RACIAL MATTERS

An article in the June, 1959, issue of "The Thunderbolt", self-described as the "Racial Nationalist Organ of the National States Rights Party," reflects that "conservative, segregationist and independent political groups" will hold a "Patriotic Alliance Conference" in Chicago, Illinois, on July 4, 1959. Sponsors of the conference are reported to be RODERICK J. WILSON of the "National Party" of California, Major F. J. TOOHEY, of the "Tax Cut Party" of Michigan, and Dr. EDWARD R. FIELDS, Louisville, Kentucky, representing the National States Rights Party. The article urges "patriotic groups" from all over America to send a delegation to this conference. The primary purpose of the conference is stated to be preparation for the 1960 election campaign and the necessity for uniting forces with respect to the "political struggle ahead." It is further stated that during the conference agreement will be sought "on a National Committee for a National ticket supported by all American Patriotic organizations." The article requests those desiring to attend the conference promptly write the "Conference Secretary", Dr. EDWARD R. FIELDS, 1617 Barastown Road, Louisville, Kentucky.

An article entitled "National Party Organizing" appeared in the June-July, 1959, issue of "The Statesman", self-described as the official publication of the National Party, USA, Burbank, California. This article reflects that Dr. EDWARD R. FIELDS, representing the National States Rights Party, Major F. J. TOOHEY, (ret.) representing the Tax Cut Party of Michigan, and RODERICK J. WILSON, chairman of the Political Action Committee of the National Party of the USA, had announced that preparations are being made for a

According to the article, preliminary plans include invitations to each of the "Conservative Political Action Groups" throughout the Nation to send one delegate to the meeting for the purpose of "discussing unification of efforts and operations toward the end of bringing into existence a National Committee for coordination of political action throughout the Nation and in the various elections in the various states." It is also stated that the conference agenda will include the proposed platform of the National Party of the USA for adoption by the delegates "as a declaration of the principles and purposes of the newly organized party." The article states that details concerning the conference may be obtained by communicating with Dr. EDWARD R. b7D Referenced letter dated 7/10/59 enclosed a report of information concerning a meeting of captioned organization held at the Atlantic Hotel, Chicago, Illinois on 7/4/59.

By letter dated 7/17/59, interested field offices were furnished a copy of informant's report. It was noted that informant's report of activities of mentioned meeting indicated that thirty-one states were represented, however these states were not identified. It was noted that since the National Party is intended to be national in scope, the Chicago Division was considering dissemination to other field offices on an information basis.

It is believed this information would be of value to field divisions wherein it has been determined, or will be determined in the future, that the National Party has instituted activities either as a result of mentioned meeting on 7/4/59, or in preparation for the next gathering of this group.

In view of above, the Bureau is requested to advise the Chicago Office regarding dissemination to other field divisions on an information basis.

Reference is made to report of SA [REDACTED]
dated 7/28/59, at Cincinnati, Ohio.

Referenced report set forth a lead for the Cincinnati Division, at Dayton, Ohio, to continue to pursue leads developed through observation of vehicles in the vicinity of the Church of the Covenant, at Dayton, Ohio, on 4/23/59 in an effort to identify other persons possibly engaged in NSRP activities in this area.

Investigation of this lead has been conducted and is presently continuing. Efforts to date have not revealed the identities of any additional persons in the Dayton, Ohio, area associated with the NSRP, although the identities of persons to whom vehicles mentioned above were registered have been ascertained. Investigation thus far has revealed that the majority of such persons were elderly people who are members of the choir of the Church of the Covenant and further investigation fails to indicate that they are in any manner associated with the National States Rights Party. For this reason, names and background information developed regarding such persons are not being put into a report or are not being furnished the office of origin under the above caption. In the event it is later determined through RAC sources that any of such persons are associated with the NSRP, the Bureau and Office of Origin will be at that time appropriately advised. b2 b7D

Referenced report further pointed out [REDACTED] NSRP plan to hold a national convention at Dayton, Ohio, during the Labor Day weekend from September 5 through September 7, 1959.

This summary stated that according to mentioned issue of "The Thunderbolt", "conservative, segregationists and independent political groups" will hold a "Patriotic Alliance Conference" in Chicago, Illinois on July 4, 1959. Sponsors of the conference were reported to be RODERICK J. WILSON of the "National Party of California," Major F. J. TOOHEY of the "Tax Cut Party" Michigan, and Dr. EDWARD R. FIELDS, Louisville, Kentucky, representing the National States Rights Party. The article urges "patriotic groups" from all over America to send a delegation to this conference. The primary purpose of this conference is stated to be preparation for the 1960 election campaign and the necessity for uniting forces with respect to the "political struggle ahead." It was further stated that during the conference, agreement will be sought "on a National Committee for a National ticket supported by all American Patriotic Organizations." The article requested those desiring to attend the conference to promptly write to the "Conference Secretary" Dr. EDWARD R. FIELDS, 1617 Bardstown Road, Louisville, Kentucky.

Mentioned article entitled, "National Party Organizing" stated that Dr. EDWARD R. FIELDS, Major F. J. TOOHEY and RODERICK J. WILSON had announced that preparations are being made for a meeting of "rightist leadership from all parts of the nation to take place in Chicago, Illinois on July 4." According to the article, primary plans included invitations to each of the "Conservative Political Action Groups throughout the nation to send one delegate to the meeting for the purpose of discussing unification of efforts and operations toward the end of bringing into existence a National Committee for coordination of political action throughout the nation and in the various elections in the various states." It was also stated that the conference agenda would include the proposed platform of the National Party of the USA for adoption by the delegates "as a declaration of the members and purposes of the newly organized party."

On July 4, 1959, [REDACTED] ^{b2 b7d} who has furnished reliable information in the past, furnished information to establish that on that date mentioned group met under the name of "National Party" at the Atlantic Hotel, 316 South Clark Street, Chicago, Illinois. Informant furnished a report of the activities of this meeting which report is submitted herewith.

advised on July 13, 1959, that according to information available to him the following organizations were represented at this meeting:

We, The Mothers

Prairie State Health Federation

Constitution Clubs of Chicago

Christian Forum, Incorporated

Constitution Party, Indiana

National States Rights Party

National Health Federation

Tax Cut Party

World Union of Free Enterprise National Socialists

National Party

It is noted that informant's report of activities of the mentioned meeting indicate that 31 states were represented; however, these states were not all identified. Since the National Party is reportedly intended to be national in scope it is believed the information as set forth in informant's report would be of value to field divisions wherein it has been determined, or will be determined in the future, that the National Party has instituted activities either as a result of mentioned meeting on July 4, 1959, or in preparation for the next gathering of this group.

By referenced Chicago letter dated July 17, 1959, field divisions having an immediate interest in this matter were furnished a report of activities of mentioned meeting.

Re Chicago letter to the Director dated 7/17/59.

Referenced Chicago letter enclosed a report of activities of a meeting of captioned organization held in Chicago, Illinois, on July 4, 1959. This meeting was held to formulate a "national party", in preparation for the 1960 elections, which would in fact, be national in scope.

It is noted that advanced publicity for this meeting identified as sponsors of this organization.

Re Bureau letter to Chicago dated November 25, 1959 captioned as above.

Referenced letter states that since this organization appears to represent an attempt to engage in legitimate activity by sponsoring a third party movement in 1960, no investigation should be conducted in the absence of definite indication of a potential for violence.

Bureau letter [redacted] dated September 14, 1959, set out instructions for Los Angeles to obtain two copies of each future issue of "The Statesman," official publication of captioned organization, and forward one copy to the Bureau and one copy to Chicago.

This is to advise that, as indicated in Los Angeles letter to the Bureau dated November 27, 1959, two subscriptions were placed. Only one issue has been forthcoming since the subscriptions were placed on November 10, 1959, and it was undated, being referred to only as Volume 11, Number 7. In accordance with Bureau instructions, this issue was reviewed and contained no pertinent information. In view of Bureau instructions in letter dated November 25, 1959, no copy of "The Statesman" will be forwarded to the Bureau or Chicago; but each issue will be carefully reviewed and any pertinent information will be brought to the attention of the Bureau.

This case is RUC.

**NATIONAL PARTY
RACIAL MATTERS**

Re Bureau letter to Chicago, dated 11/25/59, and Chicago letter to the Director, dated 11/30/59.

Referenced Bureau letter states that since it appears from a review of this matter that it represents an attempt to engage in legitimate political activity by sponsoring a third party movement in 1960, no investigation should be conducted in the absence of some definite indication of a potential for violence.

Files of the Chicago Division do not indicate that such a potential is existent today.

In the event information comes to the attention of this Division indicating a recurrence of activity on behalf of the captioned organization, appropriate change of origin will be made to the Los Angeles Division.

Until such time that activity is indicated, no further investigation will be undertaken by the Chicago Division.
